

The CHARACTER Collection

When a tree house becomes a castle and a sandbox a beach, oh the creativity of a child! The CHARACTER Collection encapsulates the pure joy and imagination of childhood. Each child has a story- let us help share it! Beginning at age 2 and continuing to age 5, KWP will illustrate your little Character's story!

The CHARACTER collection is \$150 and includes five sessions with the lead photographer, a proof cd of each session, and special discounts for play date cards, story book series, and limited edition sets. Following each session we will schedule a time for you to view and order your portraits. At the completion of the CHARACTER collection you will receive a custom frame containing a portrait from each of your sessions.

Kay Web Photography is ready to work with each CHARACTER to make this program a success for you! If you have any questions please feel free to contact us at (314) 602-0006 or by e-mail at:
